KS & MO STATE THESPIAN CONFERENCES January 5-7, 2011

We're so glad that many of you stopped by to see us at the KS State Thespians Conference in Wichita, and at the MO State Thespians Conference in Springfield. We appreciate the opportunity to teach some lighting workshops and share with you the variety of goods and services we provide. In this high tech world, we still believe in hands-on training and enjoy visiting with our customers face to face. If you have any questions, give us a call... you'll still get a live person.

KANSAS STATE THESPIAN CONFERENCE WINNER:
